Lauren:

Following our conversation this afternoon, we reviewed the copies of the second CD that were kept for our files and copied at the same time the copies were made for USDOJ, USEPA and the NYS Department of Law. The second CD contains copies of two log books, one relates to Contract No. 1 and the second relates to Contract No. 2. Both documents were found to be legible on our CD copies.

Under separate e-mail cover I will forward an electronic copy of each such Field Book for a total of three e-mails. I do not know if they will get through your e-mail system filters or size limitations. If you only receive one e-mail from me we will know the answer. If the multiple e-mails do not solve the issue, please ask the reviewing party at your end e-mail me the identify the file(s) in question. If necessary, we can make and send a hard copy.
